

KERRY SIGGINS

Lead, and be worth following

Be the kind of leader that makes the world a better place.

About Kerry

Kerry Siggins is the CEO of StoneAge, Inc. a fast growing manufacturing and technology company based in Colorado. Under Kerry's leadership, StoneAge has experienced double digit growth, year over year. In 2015, she successfully transitioned the company's ownership structure to an ESOP, ensuring that all employees share in the success of the company through employee ownership. Kerry is a helpful and impactful board member and business advisor due to her success and experience in scaling companies and building world-class cultures.

Kerry is a dynamic, sought-after speaker who presents worldwide at corporations, universities, seminars, and conferences. She hosts several podcasts, including the wildly popular podcast Reflect Forward. She is an author, blogger, and contributor to Forbes, Entrepreneur, Authority Magazine, and BIC Magazine, and her blog is visited by thousands of readers each month.

Leader

CEO and Board of Director of StoneAge, Inc. for well over a decade, leading the company through year-over-year double digit growth. Exceptional executive presence and inspiring leader. Industry disruptor and strategic innovator.

Advisor

Board leader and member specializing in business model transformations, employee owned companies, and founder to management transitions. Advisor to several fast growing, innovative companies.

Speaker

Sought-after speaker who motivates audiences to become better leaders and communicators. Known for her ability to inspire action, self-awareness and growth during keynotes and presentations.

Author

Shares insight on how to develop leadership competencies, create winning cultures, and scale impactful businesses as a contributor to Forbes, Entrepreneur, Authority Magazine, and more. Book will be published in early 2023.
